

PRIDEWORKS 2024: Wednesday, March 13, 2024

at Westchester Community College

PrideWorks' mission is to **INFORM** our communities about the realities of growing up gay, lesbian, bisexual or transgender, and to **INSPIRE** them to respect and support LGBTQ people and to **ADVOCATE** for positive change.

Our conference is a full-day educational experience that promotes a positive message, teaches leadership skills, and fosters a sense of community for LGBTQ Youth, their allies and the adults in their lives in the lower Hudson Valley. Workshops and seminars are carefully selected that focus on creating safe and supportive environments and improving self-advocacy and leadership skills so attendees can better understand themselves, advocate for equality, and enhance their schools and communities.

Our last year conference drew over 500 attendees. Each year, about 70% of the attendees are students, and 30% of them identify as part of the LGBTQ community. Adults may be teachers, psychologists, social workers, Gay-Straight Alliance (GSA) Advisors, youth care workers, parents or guardians, or simply allies.

Most attendees come from the tri-state area (Westchester, Rockland, Putnam, Dutchess, Orange and Ulster counties in New York, New Jersey, New York City, Connecticut, and New Jersey), but we have had visitors from as far away as Ohio, California, and Toronto — making us INTERNATIONAL!
